- 12/16 Blackboard Q&A: Christine Wilson 2:00 pm

Social Media Professional Learning Community

Are you tired of one and done approach to professional development? Do you feel like you leave the sessions with more questions than answers? The Office of Assessment and Accreditation will be offering a Professional Learning Community on Social Media starting this fall semester. It will take a look at how social media can be used for PD and as an engagement tool in classes. This PLC will meet four times this semester and once at the beginning of the spring semester. It will satisfy the six hours of distance education PD that is required for the year. So, if the opportunity for a more personalized PD experience appeals to you and you are interested in using social media, feel free to contact Jason Whited, whitedj@ecu.edu, for additional information or to sign up to participate.
