ECU MLS Alumni Survey – 2021

Objective #1: Demonstrate an understanding of professional and legal issues.

Demonstrate an understanding of professional and legal issues
	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Demonstrate an understanding of professional and legal issues	47	1	4	3.43	.715	.511

Demonstrate an understanding of professional and legal issues

	N	%
Not prepared at all	1	2.1%
Inadequately prepared	3	6.4%
Prepared	18	38.3%
Very well prepared	25	53.2%
Total	**47**	**100.0%**

Objective #2: Design, plan and conduct research for the library practitioner

Design, plan and conduct research for the library practitioner
	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Design, plan and conduct research for the library practitioner	47	1	4	3.45	.686	.470

Design, plan and conduct research for the library practitioner

	N	%
Not prepared at all	1	2.1%
Inadequately prepared	2	4.3%
Prepared	19	40.4%
Very well prepared	25	53.2%
Totals	**47**	**100.0%**

**Objective #3: Use reference and information resources in a variety of formats to promote information literacy**

Use reference and information resources in a variety of formats to promote information literacy
	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Use reference and information resources in a variety of formats to promote information literacy	47	1	4	3.70	.587	.344

Use reference and information resources in a variety of formats to promote information literacy

	N	%
Not prepared at all	1	2.1%
Prepared	11	23.4%
Very well prepared	35	74.5%
Totals	**47**	**100.0%**

Objective #4: Select, acquire, develop and manage collections and information resources in all formats to meet lifelong learning needs

Select, acquire, develop and manage collections and information resources in all formats to meet lifelong learning needs
	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Select, acquire, develop and manage collections and information resources in all formats to meet lifelong learning needs	46	1	4	3.65	.640	.410

Select, acquire, develop and manage collections and information resources in all formats to meet lifelong learning needs

	N	%
Not prepared at all	1	2.2%
Inadequately prepared	1	2.2%
Prepared	11	23.9%
Very well prepared	33	71.7%
Totals	46	100.0%

4

**Objective #5: Apply appropriate standards and guidelines for the organization of library materials and resources**

Apply appropriate standards and guidelines for the organization of library materials and resources
	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Apply appropriate standards and guidelines for the organization of library materials and resources	46	2	4	3.59	.580	.337

Apply appropriate standards and guidelines for the organization of library materials and resources

	N	%
Inadequately prepared	2	4.3%
Prepared	15	32.6%
Very well prepared	29	63.0%
Totals	**46**	**100.0%**

Objective #6: Plan, organize, staff, direct, and budget library programs to meet information, instructional, and recreational needs

Plan, organize, staff, direct, and budget library programs to meet information, instructional, and recreational needs
	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Plan, organize, staff, direct, and budget library programs to meet information, instructional, and recreational needs	46	2	4	3.28	.621	.385

Plan, organize, staff, direct, and budget library programs to meet information, instructional, and recreational needs

	N	%
Inadequately prepared	4	8.7%
Prepared	25	54.3%
Very well prepared	17	37.0%
Totals	**46**	**100.0%**

Objective #7: Apply appropriate technologies to support or enhance library functions and processes
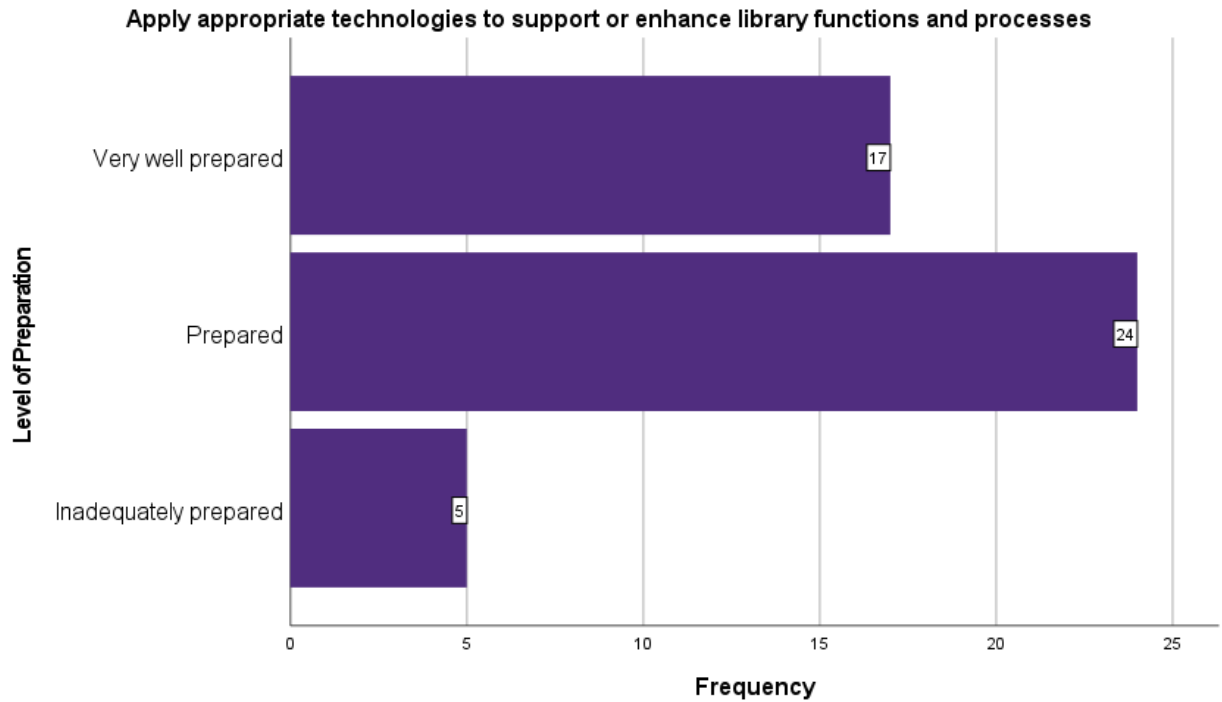

Apply appropriate technologies to support or enhance library functions and processes

	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Apply appropriate technologies to support or enhance library functions and processes	46	2	4	3.26	.648	.419

Apply appropriate technologies to support or enhance library functions and processes

	N	%
Inadequately prepared	5	10.9%
Prepared	24	52.2%
Very well prepared	17	37.0%
Totals	**46**	**100.0%**

Objective #8: Teach directly, and develop programs to provide instruction in information literacy, digital citizenship, privacy protection, research skills, that will support self-sufficient learning in a diverse and global society

Teach directly, and develop programs to provide instruction in information literacy, digital citizenship, privacy protection, research skills, that will support self-sufficient learning in a diverse and global society
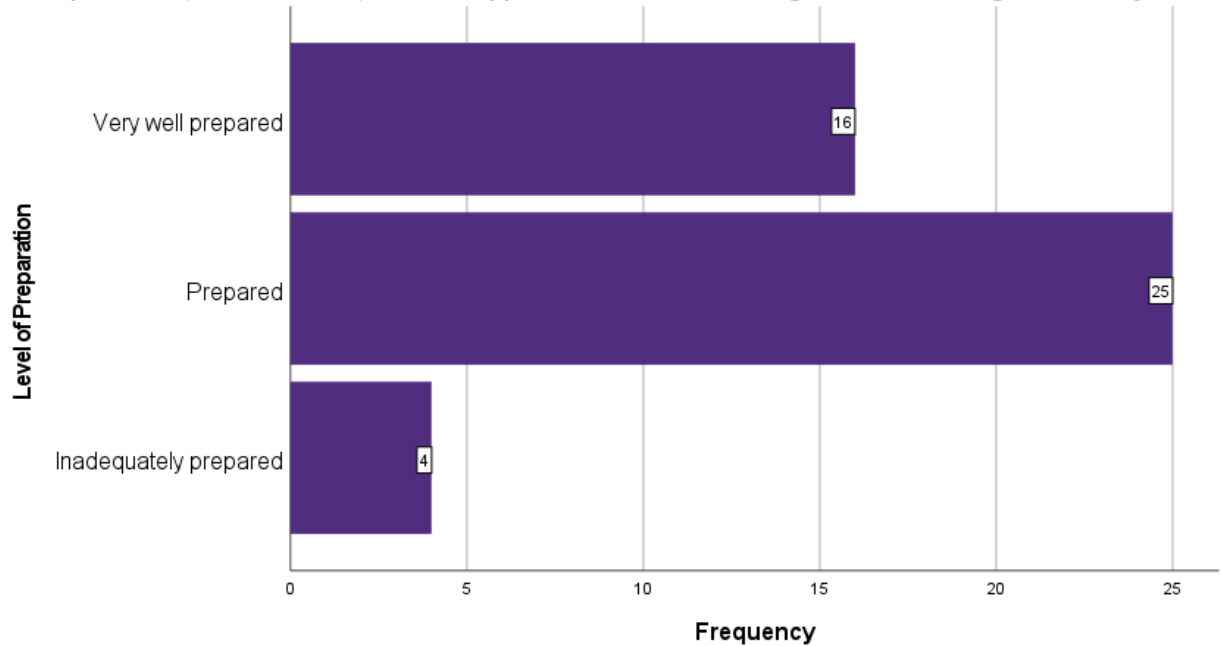

|	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Teach directly, and develop programs to provide instruction in information literacy, digital citizenship, privacy protection, research skills, that will support self-sufficient learning in a diverse and global society	45	2	4	3.27	.618	.382

Teach directly, and develop programs to provide instruction in information literacy, digital citizenship, privacy protection, research skills, that will support self-sufficient learning in a diverse and global society

	N	%
Inadequately prepared	4	8.9%
Prepared	25	55.5%
Very well prepared	16	35.6%
Totals	**45**	**100.0%**

Objective #9: Have practical experience in librarianship

	N	Minimum	Maximum	Mean	Std. Deviation	Variance
Have practical experience in librarianship	46	2	4	3.65	.526	.276

Have practical experience in librarianship

	N	%
Inadequately prepared	1	2.2%
Prepared	14	30.4%
Very well prepared	31	67.4%
Totals	**46**	**100.0%**
