  - You remain employed as a lead teacher under residency in a DPI-approved North Carolina LEA/School;

  - You maintain a 2.7 or higher GPA for Upper Division Coursework while an ERM candidate.

*Tuition Snapshot*

*Tuition Rates and Deadlines are enforced and maintained by the ECU Cashier’s Office. For more information, please access their website at [http://www.ecu.edu/cashier/](http://www.ecu.edu/cashier/) or connect with them via email (Cashier@ecu.edu) or phone (252-737-6886).*

ECU’s ERM provides incredible value as a means of residency licensure clearance. **In-state tuition** for the 2022-23 academic year is roughly $205 per credit hour (in-state). To qualify for in-state tuition you must have resided in the state of North Carolina for one full year. If not, these prices will not be the ones for you as you would have to pay out of state tuition costs that are significantly higher rates.

```html
<http://www.ecu.edu/cashier/tufee.cfm>

$205 \times 2 \text{ credit hours} = \$410 \text{ per 2 credit course}

$205 \times 3 \text{ credit hours} = \$615 \text{ per 3 credit course}
```

In total, ERM participants complete 18 credit hours within their plan of study. **At $205 per credit hour, participants pay just $3,690 in total to complete the 6-course (18 hrs.) program.**

*advertised tuition projections reflect 2022-23 in-state tuition rates and tuition is subject to change*

*Financial Aid requires 6 hours of coursework and semesters are only 3 hours per semester on this plan of study.*

- Tuition payment plans are only available fall and spring semesters. If you choose to set up a plan, you have to set it up for each semester as it does not roll over. It is the candidate’s responsibility to establish in-state residency status for the purposes of tuition. Learn more about establishing in-state residency through the state’s Residency Determination System (RDS)
