EC-NIC Information

Project I⁴ EC-NIC

All participants have two scheduled meetings each month, one as an EC-NIC with your coach as well as an individual 1:1 with your coach. The EC-NICs are focusing on building relational trust and learning about observation tools.

School-based EC-NIC

You should have selected members for your School-based EC-NIC by now. When planning your meetings, use the [Agenda Template](#) (*Word version also attached to the email for your convenience*). Use the Learning Exchange Pedagogies (Dynamic Mindfulness, Personal Narratives, Team Reflections) to help build relational trust in the group. [Click here for Learning Exchange Resources](#).
