EDUCATOR RESIDENCY MODEL AT EAST CAROLINA UNIVERSITY

The Educator Residency Model is a fast-track program to assist teachers who hold a Residency License in meeting NC DPI licensure requirements. Participants can complete coursework in as few as 18 credit hours with continuous enrollment.

Advantages of becoming a Pirate

- 18 credit hours (6 courses)
- Fully online program to maximize accessibility
- Cohort support & systematic plan of study
- Formal academic advising model
- Begin coursework immediately upon hire as residency teacher
- Discounted DE tuition rates

Cohort candidates must fulfill all requirements set forth by NC DPI Residency License requirements. This includes yearly licensure renewal, employment, testing, coursework, etc. Enrollment in ECU's program does not guarantee employment or fulfillment of all licensure requirements. Information subject to change pending clarification from NC DPI. Please always consult with NC DPI & ECU websites regarding processes and deadlines.

Tuition Snapshot

A benefit of ECU's program is the utilization of a discounted DE tuition rates.

ECU's Educator Residency Model provides incredible value as an option for residency licensure clearance. In-State Tuition rates are approx. \$205/credit hour, making each course approx. \$615 per course.

Pirates pay just \$3690 in tuition costs

Tuition payment plans are offered during the Fall and Spring semesters.

Most semesters during the program will not meet semester hour eligibility requirements for Financial Aid. Please see plan of study.

Tuition rates/deadlines are enforced by the Cashier's Office.

Tuition payment plans must be set up each major semester through Pirate Portal.

Candidates must establish in-state status during institutional admissions process.

Additional costs for candidates include edTPA submission to Pearson (approx. \$300) and costs for licensure exam(s).

This document is provided as a supplementary guide. For official information, please always consult with NC DPI and ECU websites regarding processes and deadlines.

Special Notes for your Educator Residency Model plan of study:

- Your plan of study remains valid if:
 - You remain employed as a lead teacher under residency in a DPI-approved North Carolina LEA;
 - You hold an unexpired residency license in the area for which you have been hired or emergency status with 24 hours of relevant coursework; if you hold an emergency license, you must convert to a residency license to remain in the program;
 - The licensure area on your plan of study matches the licensure area on your residency license and service area;
 - You earn a grade of C or better in all Educator Residency Model courses and you have a GPA of 2.7 or higher prior to enrolling in TCHR 4992: Residency II.
 - If a candidate completes coursework listed on the plan of study and has not passed edTPA and/or licensure exam(s), a one-hour course has been created to allow for enrollment/submission of the third year of the residency license.

Information provided in this document is subject to change pending clarification from NC DPI. Students should always consult with their program advisor, as well as the ECU and DPI websites for the most updated information regarding processes and deadlines.

There is a different plan of study for SPED, KINE, FACS, SCIE, MATE, and MIDG MATE with similar classes.
